Hi, Captain America :P Being sports secretaries together was such an insane adventure, we handled so much together. I learned a lot from you and truly enjoyed seeing the way you worked. Remember all the BT we handled together from the yelling we heard during Arena to Spree logistics XD. But it was all manageable because I think we made a great team :D KRITIKA KASLIWAL

You will always be the Sports Secretary who won all our hearts. it's been an amazing journey with you ra. Maybe we had a couple of differences but that never mattered because we both know what we are to each other. I will always be there with you anytime. Looking forward to join you again mama for anything that is going to come. One day you will surely become a tollywood superstar. Cheers to our Wolf Pack BANDARI SHIVA SAI KRISHNA

Sohith anna, you are one of the primary reasons why we had the most successful Arena till out time. You're one of the most hard working, determined and down-to-earth people I've met, few of the qualities of a true leader. I'm glad that you were a part of the SUC and that I had the opportunity to work with you. Cheers to that! Always stay the same, smiling all the time. Keep growing, stay in touch and good luck for the future! AMAN SYED

Hey man! To be honest, you were the best person we could've gotten as the sports sec. You made our lives a hell lot easier. You listened to us and were very diligent in your duties and that was really admirable. As a person, I found you sweet and humble. It was very nice working with you! All the very best. Good Luck! SHAKTI RAJ SINGH BAWAL

Heyy broo!! You are one of the most extroverted and active people I know on campus XD One year tenure with you in the SUC and all the glitterati planning was amazing broo :)) Acing and trying all avenues like sports, fitness, acting, CV XD It's really great to see a person manage multiple stuff at the same time :)) ATB and let's stay connected :) C YASHASVI

Hey Sohith! I am glad I got to know you through Kritika. As I have always told her about you, I find you very dedicated, hardworking & responsible. In today's times when everyone just loves to throw away responsibilities to others, I found your zeal to work very refreshing & something I respect you for. You are a nice human, keep up the spirits, keep shining. All the best! ETI SINGH

Hi Sohith! I have always admired you for your immense dedication towards sports and your responsibility as a sports secretary. Watching you work besides Kritika and the way you respected

her was really beautiful! I still have that video of you drunk during Batchsnaps and telling me how much you are inspired by her. I think you're a really sweet and kind person. I hope you stay the same and have a wonderful life ahead! SHREEYA JAIN

You are the most hardworking , talented, honest and sincere sports secretary ever. I think , you are the only person who put his sincere efforts into fulfilling promises made. I have seen you through constant anger, rare grief, but mostly through a never ending smile. You always had it , not sure if it's your armor?! you were demeaning and insulting at times, but mostly you were a humor bomb . I will not forget those memories made , tiki shacks, babai bhojanambu , vivaha bhojanambu , viceroy, and most importantly YOUR ROOM. But, No matter what, I will always remember your stupid stories, crass ass jokes, darkest secrets and fun filled trolls, but most importantly, i will remember our friendship. A S K A NARAYANA MURTHY

Mama, we've had our fair share of problems to deal with but at the end of the day there's no taking away the fact that you've been an amazing personality. I remember you constantly asking me and my teammates about stuff that's essential and the various tournaments. You have even arranged the bus for us at several occasions, you have gone out of your way to get several things done for us. I'm glad you were the sports sec of my time, all the best for the everything. Cheers KATNENI JHANAV

More than a senior you are one of the best friends I have on campus. We did hang out a lot and did a lot of crazy stuff. You have been a guide to me and can never forget searching for things in your room. Your advices are the best. I will never forget the stories you told and your experiences you shared with me. And yeah in one word I can say that you are not only the best sportsec but also the best SUC member I he ever seen. - Vivek Reddy

That one game of basketball got me interested in the game and learn it for one month. Believe me, that's a great achievement in itself considering how lazy I am. You are the best sports secretary of BPHC. Keep doing what u like in life and always be happy - Vaishnavi
